DOMINION ORDERS IN COUNCIL.

[486.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 6th day of March, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS under section 17 of the "Dominion Forest Reserves and Parks Act," as that section was amended by section 4 of chapter 18, 3-4 George V., and section 18 of the Act first mentioned as enacted by section 5 of the same Act, chapter 18, 3-4 George V., the Governor in Council may make regulations with respect to such parks, for the administration thereof, in accordance with the terms of the "Forest Reserves and Parks Act";

And whereas section 61 of the regulations governing the National Parks of Canada, approved by Order in Council of the 21st June, 1909, and re-established by Order in Council of the 6th June, 1911, as amended by subsequent Orders in Council, provides that no person shall hunt, take, kill, wound, injure or destroy, or pursue with such intent, any wild animal or bird within the parks, yet neither this section nor any other section of the aforesaid regulations defines the term "game" or make the possession of game, obtained within the parks, an indictable offence;

And whereas representations have been made that valuable game animals and birds are liable to be destroyed from time to time by predatory animals, and that human life is liable to be endangered by dangerous animals;

And whereas no provision is made in section 61 above cited, or in any other section of the regulations governing national parks, for the capture of wild animals and birds for zoological and scientific purposes, or for the collection of any wild animals and birds for museum and scientific purposes,--

Therefore His Royal Highness the Governor-General in Council is pleased to order, that the

aforesaid section 61 of the regulations governing national parks shall be, and the same is hereby amended to read as follows:—

61. "Game" shall mean and include all animals and birds protected by these regulations, and the heads, skins and every part of such animals and birds. No person shall hunt, take, kill, wound, injure or destroy or pursue with such intent any game within the parks, and except as expressly authorized by these regulations no person shall have in his possession or in the possession of his servant or agent or of any other person on his behalf any game or any fish killed or procured within any park.

(a.) Noxious, predatory, or dangerous animals, and noxious birds within the parks, may be captured or killed at any time by any forest officer acting under the parks administration.

(b.) With the consent and by the authority of the Minister of the Interior, any animals and birds within the parks, required for scientific purposes, may be captured or killed at any time by any forest officer acting under the parks administration.
